B073

I am a sexaholic. Like the drinker who can't have "just one," I can't have just one fuck. Because if I do, then I want more, more, more.

Lord knows I have certainly tried to control myself. Please don't think my lack of willpower represents a lack of effort. I can abstain for great periods of time. But once I start...

Recently I picked up a guy who wasn't exactly handsome. I shouldn't have considered him, but my cunt was itching and my juices were flowing. I went home with him and fucked him silly, and when I saw he wasn't going to be able to get it up for a second time I left his place and went straight to the nearest bar. There I picked up two guys. I took them home and spent the whole night fucking one after another. That's not an extreme for me; it's typical.

Three nights ago I went on another monumental sex binge. Maybe by telling my story it will be like therapy and help me get this compulsion out of my system, or maybe just understand it a little better. After all, don't those drinkers, gamblers and dieters stand up and "tell all" at their meetings? Well, here's my story.

Rickie, an old friend of mine, came to town. I'd never gotten it on with him before. We had a few drinks and I was feeling good and a little horny. I

guess it had been long enough since my last binge, because when Richie cuddled up to me I didn't try to stop him.

And when his hand brushed against my breasts, I felt the electricity. I knew it was happening again and I was helpless to stop it. My nipples bloomed as his fingers ran idly, then more deliberately, across my chest. My body inclined toward him as if I would melt into his arms.

Encouraged, he put a hand on my thigh, which immediately caused me to shake inside as well as outside. I think he intended to hold me, but when he felt my twin protrusions against his chest, I guess other things seemed more appealing than a simple embrace. So he guided my shoulders from side to side so that our chests brushed each other. His shirt was off and his hairy chest was rubbing my nipples right through my dress.

I was a goner. I should have pulled back, but it was already too late. I went through the usual bullshit with myself, thinking maybe it would be just once or twice. All normal women I know would do better, but I did myself every time.

I let him remove my dress, exposing my boobs in their stiff and flowering glory, and I leaned back to show them off better. I guess they looked good to

Pussy on Fire

It's a sickness. I can't stop myself.
Once I start I want more, more, more..

him because he leaned over and kissed them one at a time, a gentle tickling series of kisses that made me hot enough to need to get fucked right then and there. I told him so. He couldn't believe my cunt was burning that badly, that soon. But then again, he had never gotten it or with me before.

I put his hand on my cunt, intending to show him how wet my panties were, but feeling just the warmth of his hand on my straining cunt made me groan and press up against him as hard as I could. Then I completely lost control of my body. I was like a writhing madwoman as I begged him to shove it in me. He was amazed at the intensity with which I reacted to his touch, but he didn't argue.

He told me afterwards that my eyes were wide and bright, my mouth partway open; my body taut as a rope. I also know there was a puddle collecting on the sofa, below my fevered cunt. I know that I barely felt it when, after pulling off his pants in a real hurry, he thrust his swollen tool up into my tortured cunt. I didn't even see the size of it; I was too out of control to look.

It slid in so easily I couldn't feel it; it's just that I was over-slicked with pussy juice. He thumped against the bottom, time and again, ramming it home. "Harder, harder!" I begged him, and slammed

my body against his, working hard for the orgasm that would only bring temporary relief to my urgent needs.

"Would you like me to play with your titties?" he breathed in my ear. "Anything, anything!" I gasped breathlessly. I hadn't the energy to talk. All of my strength was concentrated toward one goal. I slammed up against him again and again, raking my claws across his back as I bit his shoulder. He was too hot to notice or care.

He squeezed my right breast from base to nipple and then rubbed his hairy chest against my nipples again. "Lovely titties," he said huskily. "Beautiful hard titties, such nice hot titties." He moved his pelvis in a circular motion, scraping every side of my cunt walls as he prodded me with his prick. I thought I made a lot of noise when coming, but he drowned me out completely. He was a real screamer himself. Every inch of me was alive and begging and everything he did satisfied me and made me want more.

When my first climax was over, I was actually just starting. As Richie collapsed on top of me, exhausted, I almost screamed, "Don't stop!"

"I thought you came!" was his understandable response. There was no way of missing my orgasm.

"I just came once"! I need a lot!" I blurted out.

There, the truth was out. I can lie to others or to myself when I'm cool and calm, but when I'm in that condition there's no way to lie at all.

"A lot more?" I wasn't sure if what registered in his voice was surprise or alarm, but I couldn't stop to worry about it.

"Yes, a lot" I said urgently. I was winded and exhausted but my body was still flailing about on the bed, slowed down a bit but far from satisfied.

"Give me a minute to rest," he pleaded. "Besides, I'm shrinking." I still couldn't tell what size his dick was. I was too slicked up with my own juices and his spewed out only made me wetter. Every inch of my hole ached with the need to be filled.

"Use a finger then," I told him.

"Give me a minute to rest!" he panted. I used my own finger, keeping myself warm while he caught his breath. He was staring at me unbelievably and I wondered what he thought of me. But I was in no condition to put on a false front and try to appear "normal." The blood was still coursing through my pelvic region and my nipples were as hard and wrinkled as ever.

I grabbed his hands and put them on one breast. When an agonizing "Ohh-hh!" escaped he pulled back, perhaps thinking (I guess) that he was only making matters worse. I grabbed his hands and placed them on my breasts again, then held him by the wrists so he couldn't pull away. "Such big hard titties!" he said in wonderment as he cupped my boobs and stroked their hard brown caps.

"Do it to me again!" I begged.

He insisted there was no way he could get it up

again, at least not for a while. "Do something!" I said, "Eat me!" He promised he would if I'd just wait a few minutes. "I can't!" I cried in agony. His hand kept massaging my nipples, but he asked if I wanted him to stop. "No!" I screamed, so he kept on stroking the wrinkled brown areas.

"Harder! More! Faster!" I urged him and then put one of his hands on my slobbering cunt. As his left hand worked over my jutting peaks, his left pressed down on my cunt as I thrust up against it. This combination succeeded

in wrenching another orgasm from my body. My fingernails dug into Richie's arm, leaving another set of marks.

"Is that better?" he asked softly, when my groaning subsided into whimpering. But I was just getting started. I grabbed his hand and pressed his thumb onto my clit, and as he lay back, watching me, my body rose and fell in response to the motion.

The sight must have gotten to him too. As I struggled to reach another orgasm I noticed his limp damp cock unfurl like a proud pennant and wave in the air. By the time I had reached another orgasm, Richie was ready. He seemed disappointed that I had climaxed before he could get inside

me.

I pulled him down on top of me once again and his organ slid into the familiar berth. Richie began banging in and out of me again, gasping frenzied phrases in my ear.

Our thrusting was short and sweet and we exploded simultaneously. He really was exhausted, so I kept myself warm with my own finger while Richie pillowed his head on my cushiony breasts.

TOTAL

He got me off once after that, a half hour and two self-induced comes later, while nibbling at my clit and then slurping out all the juices he could get, though more kept welling up inside me. When I came this time I knew I hadn't the strength for more, and as the last shudder died away I knew I could stop for a while—though I also knew I was far from finished. Richie's tongue scraped my clit till it was sore while trying to get the last orgasmic cell out of me.

The power surge in my cunt was down to a low-level hum and I agreed when Richie suggested that we get something to eat, though we were both too exhausted to cook or go out. We finally threw on some clothes and staggered around the corner to get some pizza, where we washed down slices with a pitcher of beer. He wasn't expecting the attack that my recharged body had planned when we returned to my place.

I lunged at him, opened his zipper and said, "Just one more." I knew I was lying. I think by now he guessed it too. One more? One? Well, we did it anyhow. One more. And then he gave me an incredible mouth-job, which was all he had left to offer, and from a very tired tongue at that. I was able to stop for a while, but by the time he made a rather relieved exit I was once again aware of the blood surging through my loins.

'Now it starts,' I thought to myself. I knew what was ahead: phone calls to lovers that I rounded one up; who was available and willing or visits to singles bars. It was useless to try to go to sleep and hope the insatiable hunger would be gone in the morning. There would be no sleep tonight and no work tomor-

row. Just sex, sex, sex till I had fucked myself into a stupor.

There would be, I knew, several repeats of the evening's sequence of events. The only difference would be the face on the man whose cock I would be using. The tool itself, the size and shape of it, mattered only a little, and the face it belonged to didn't matter at all. Yes, I guess I am a chauvinistic pig of a whore, using men for all the sex they're worth, and then dumping them when I was done.

Although I needed more sex badly, my phone calls didn't get the results I was looking for. I hit the nearest bar where I knew what I'd find there—married men looking for a little something on the side that they didn't have to pay for or make promises to. It was a gold mine for a woman like me who just wanted a no-strings good time in the sack.

I latched onto a dude named Buddy. He was a big stud, to hear him talk, the man who could fulfill any woman's desires. I warned him he was taking on someone with an unusually large appetite. He laughed at the thought that any woman could outfuck him and I laughed too. We went back my place.

L was hot again and the bulge in his pants told me he didn't need any alcohol to loosen him up. So I skipped the preambles and didn't offer him a drink or any conversation; just myself on a thick rug. The couch was too soggy for further fucking and I always avoid the bed because of how badly it squeaks.

"Lady, you are hot!" Buddy exclaimed, when his eager middle finger first probed my welling depths. "Well, you just let me take care of you. You'll be

too cock-whipped to even sneeze by the time I'm through with you."

"I doubt it," I said wryly. "But be my guest. Why don't you start by shoving something else inside me than just your finger up there?" He didn't need a second invitation and he unbuckled his belt and pulled down his jeans to reveal a thick and veiny monster that I ached to feel stuffed into my cunt. And stuff it he did, in short order, marveling at how easily it slid in.

Well, I was lubricated enough so you could have shoved a horse's cock in there. Come to think of it, maybe that's what Buddy had; I know it was one of the biggest and thickest I'd ever had. He fired off three times while he was inside me.

His fast orgasm was pretty rapid and he apologized for that, but he assured me there was more where that came from. I came right after him, though, and pulled down on his ass as if to pull him entirely into me. He sucked on my breasts like he was a nursing baby, and my orgasm just kept rolling on in waves.

Then he flipped us both over. I sat on his cock and he stroked my breasts with one hand and rubbed my clit button with the other. I squirmed and dug down over him as hard as I could in a sitting position, and he brought me off twice more this way before his second orgasm erupted and shot into my depths.

He kept me in that position a while longer before he entered me doggie-style, fucking my cunt from behind and occasionally giving my asshole a brief but ardent fingering. After he had brought me off twice this way he reached around with his hand and

fingered my clit, bringing me two more little orgasms before he had his third. Then his dick went limp.

His tongue stood up well enough to get me off twice more. By then it was morning and Buddy had to go to work. I should have gone to work too. "I have to leave," he told me. And then admitted, "I'm all fucked out. I guess you did outfuck me." He grinned, like I'd accomplished something. I would rather have accomplished something else, like getting over this insatiable need.

It took my friend Martin, and three more orgasms,

before I reached the point of total exhaustion and was able to collapse into a fuzzy haze of tingly warmth, into which the pounding needs of my cunt could no longer reach.

It was late afternoon when I finally fell asleep, and I slept straight through till six the next morning. It had taken me more than 15 hours of sleep to rest my exhausted body from the unmerciful workout it had just gotten. When I awakened I felt refreshed and rested, unhorny and guilty as hell. I shouldn't have had three men in a row like that; I shouldn't have missed work. I shouldn't have picked up a stranger. I shouldn't give in to my body like that. But sometimes my body has a will of its own.

I swore I'd never do it again. I swore and promised myself, but the truth is, I know better. I've sworn that oath so many times before, but when the fever is in my blood there's just no stopping it. Maybe next time I keep on saying.

I have taken the first step by standing up and confessing to my insatiable need for more and more sex. That's today. Let's see what tomorrow brings.

MIA BANGG

BEST GAME IN TOWN

My friend Jason challenged me to a game of pool. Little does he know how good I am, but I have to pretend that I'm not. We made a bet that if I lose, I would make dinner, naked. If I win, then he has to do the same for me. Well needless to say, the game did not go as planned, but in the end we both won!

Mile-High Mischief

We hadn't even been in the air for an hour, and here he was working on his third cocktail. And they had all been doubles.

Having a spouse who's afraid to fly can be a real downer, especially when you're hoping to become a member of the mile-high club. Our flight from Dallas to Las Vegas would be a relatively short one, sure, but plenty long enough to get busy in the bathroom.

If only Keith, my scaredy-cat husband, would grow some balls . . .

We hadn't even been in the air for an hour, and here he was working on his third cocktail. And they had all been doubles.

I regarded him with annoyance. "You're hopeless."

"It calms my nerves." He took a hefty slug. "Otherwise I'd be having a fit right about now. The crew would have to put me in a strait jacket."

Between Keith's fear of flying and the boner-killing effects of excessive liquor consumption, I didn't stand a chance of joining the exclusive club.

I sighed in frustration even as I admired the view from my window seat. Cottony clouds complimented a blue sky. Perfect weather, I mused, for flying. Of course I could never convince Keith of this. When it came to air travel he was a glass half-empty kind of guy.

Keith was summoning a female flight attendant for yet another drink when the idea hit me. It was a consolation, yeah, but better than nothing. I couldn't join the mile-high club—not on today's flight, anyway—but there was always another option.

"The half-mile club," I muttered to myself.

"You say something, honey?" Keith asked.

I ignored him. The flight attendant brought his fourth drink. I couldn't have cared less. Let him get wasted. I had a plan, a mission, thanks to the dildo in my purse. It wasn't Keith's cock, but beggars can't be choosers.

And the half-mile club was better than nothing.

I got out of my seat, squeezed past Keith's legs, and headed down the aisle to the lavatory in the rear

of the plane. As luck would have it somebody had beat me to it.

I stood there, purse slung over my shoulder, and waited not so patiently. I was horny and itching for a quality solo session, just me and my trusty toy.

It wasn't long before the door swung open. A male flight attendant, tall and handsome, regarded me with a smile. "Pardon me," he said.

In my haste to enter the bathroom, I inadvertently dropped my purse. Shit! Its contents, dildo and all, spilled across the carpeted floor.

The helpful flight attendant knelt and started gathering my things. Holding the dildo, turning it this way and that, he looked at me and raised his eyebrows.

"Hey," I told him with a shrug, "what can I say? My husband would rather drink than fuck me."

"That's unfortunate," he said.

"Tell me about it."

I searched his face. He searched mine. Something passed between us, a silent pact between strangers. Who would make the first move?

Shit, I told myself, or get off the pot. Then I said, "I've always wanted to join the mile-high club . . ."

Having locked the door, the flight attendant—whose nametag read Simon—unzipped his fly and let it all hang out. "Suck it good," he told me. "I want it nice and hard when I fuck you"

Simon didn't have to tell me twice. I was nothing if not a glutton for cock. I knelt before him and went to work. Employing my tongue, I brushed the underside of his shaft, base to glans, ever so slowly. He groaned in appreciation, prompting me to double my efforts, which I did by licking and sucking his balls.

Simon had enormous balls, the biggest I had ever seen. I imagined all the spunk inside them, hot and creamy. Still servicing him with my mouth, I wrapped my fingers around his dick and stroked him with a deft

tugging motion.

My mouth and hand worked in tandem, getting him harder and harder; this as my nipples stiffened and my pussy dripped. Finally I withdrew my lips from his nuts and said, "I'm ready, Simon. I'm ready to join the club . . ."

"Stand up," he told me, "and turn around."

I complied in silence. Leaning against the tiny sink, I shuddered delightfully as he reached underneath my skirt and lowered my panties to my knees. He parted my thighs forcefully. My panties stretched between my legs.

I felt his engorged head probe my wet slit. My heart hammered. I panted with excitement. "Do it," I uttered breathily. "Fuck me . . ."

Simon plunged his cock inside me. He didn't bother with a slow build up. Right from the get-go he hammered my hole with savage thrusts.

This was to be a quickie, I realized. No doubt he had to get back to work. I didn't mind, didn't feel shortchanged in the least. The intensity of the experience more than made up for its short duration.

Tap-tap-tap . . .

I peered at my face in the small mirror, imagining Simon's big balls swaying as he pounded my pussy. The image turned me on something fierce. I shoved a hand between my legs and rubbed my clit as he continued to ream my cunt.

No sooner had I climaxed than he groaned and pulled out. I felt the hot droplets spatter my bum as he dumped his load.

I breathed a sigh of relief. An immense weight had been lifted from my shoulders. It was official. Thanks to Simon—and no thanks to Keith—I was a card carrying member of the mile-high club.

And speaking of Keith—well, I returned to my seat to find him passed out. Those four drinks had done a serious number on him, for sure.

Oh well. You snooze, you lose.

Or in his case—

You snooze, no cooze!

—Laura H., 30,623 miles in the sky

Dead Ringer Rump

Having had a horrible day at work, I entered the supermarket in a foul mood. Sky high grocery prices made me feel even worse. Inflation was kicking my ass. Of course I wasn't alone. Inflation was kicking everybody's ass.

Speaking of ass—

There I was, pushing my cart through the produce section, my eyes peeled for a sack of organic apples, when I spotted a most familiar derriere.

Talk about a sight for sore eyes!

Kelsey, my wife of eight months, had one of

the finest fanny's I had ever seen. Call me shallow, but it was the first thing I had noticed about her before we had started dating. Hell, it was the reason I had asked her out in the first place.

I was shocked to see her bent over a bin of cantaloupes. Kelsey hated grocery shopping more than anything in the world. And I had told her this morning that I would stop by after work to pick up a few things.

So why was she here? And why was she wearing her favorite pair of black yoga pants? My wife's preferred yoga studio was halfway across town.

Dying to have these questions answered, I abandoned my cart and headed her way. Kelsey had no idea that I was right behind her. I was just about to call her name when I suddenly changed my mind.

No, I reasoned, that exquisite ass of hers was just too damned tempting. Bent over the bin like she was, her tights accentuating her finest feature, Kelsey was all but begging me to cop a feel.

As her husband, I was most eager to oblige.

I looked around. The other customers paid me no heed. I crept closer, ever so stealthily, readying my hand for contact. Boy was she in for a surprise! I couldn't wait to see the look on her face.

So I did it, giving her tight ass an even tighter squeeze. Kelsey whirled to face me. My grin evaporated. My heart sank. I came damned close to pissing myself.

Who could blame me?

Call me shallow, but it was the first thing I had noticed about her before we had started dating. Hell, it was the reason I had asked her out in the first place.

I had just grabbed the ass of a total stranger!

I fled in a state of panic, making a beeline for the electric sliding doors at the front of the store.

No apology, no matter how sincere, would have helped. I had just committed a serious criminal offense. My only chance was to get the hell out of there before the cops showed up; no doubt the poor woman whom I had groped would want to press charges.

I rushed across the parking lot en route to my car. No sooner had I yanked open the door than the woman, my unfortunate victim, grabbed my shoulder.

"It's okay," she said. "Chill out."

I could hardly look her in the eye. "I'm really sorry," I stammered. "I thought you were my wife—"

"I figured as much. You look like a nice guy, certainly not a pervert who goes around groping random women in public."

She was willing to forget the whole thing, she told me, if I would do her one small favor.

"Of course," I told her.

Turns out "one small favor" was finishing what I had inadvertently started in the produce section. "As soon as I felt your hand on my ass," she explained. "Well, I've never been so wet in my life . . ."

I could hardly believe what I was hearing.

"I won't call the police," she continued, "if you would be so kind as to fuck me . . ."

Wow, I thought, this was certainly an interesting turn of events. Life can flip on a dime. Still, could I cheat on my wife?

To avoid a barred cell—you bet I could!

"I'm Tara, by the way," said the woman whose rump was a dead ringer for Kelsey's. Then she deposited that rump on my passenger seat. "Drive around back," she told me. "We'll do it behind the store . . ."

I parked beside a dumpster near the loading dock. Kelsey and I got in the back seat. It was a tight squeeze, but we made it work.

Having peeled her yoga pants and shucked her panties, Tara lay there beneath me and grabbed my hand. "Feel me, baby. Feel how wet I am. All because of you . . ."

Because of me? Sweet words to my ears. Indeed, hers was a wet cunt. Fondling it was nice, but I was ready to fuck it. My cock could not stand any more talk, it needed action. And action it was going to get.

Tara tugged on my trousers and boxers, lowering both to my knees. I mounted and plunged my cock inside her. Her ass was a match for Kelsey's, sure, but her pussy was something altogether different. Tighter, I realized, than my

wife's. I screwed her slowly, hoping to stave off my orgasm for as long as possible.

But it wasn't long before she urged me to fuck her harder and faster. "Pound my pussy!"

How could I deny her? This woman could have had me arrested. Instead, she was fucking me in the backseat of my car. I was obligated to give her exactly what she wanted.

I pumped between her legs with a frenzied thrusting motion. She felt amazing. Tara grunted and panted and lifted her knees. "I'm coming, baby! I'm fucking coming! Aaaaaagggghhh!"

Her outburst heralded my impending climax. I withdrew my turgid tool and exploded all over her splayed pussy lips. I watched the thick cream slide down into her pink hole. It was the most powerful orgasm I had had in months.

"That was great," I uttered between gasps. "You're something else, Tara."

"You're not so bad either," she said. "I mean, for a pervert and all . . ."

From that day onward I would always think of Tara when I looked at my wife's ass.

Tara . . .

The hottie who could've fucked me with one phone call, but screwed me instead!

— Adrian M., Sacramento, CA

VANESSA AND MONICA SWEET

NAUGHTY AND NICE

These two beautiful babes, in their naked state, can only think about what they may do to each other. They do not need too much incentive to explore the others bodies. First they start with tender kisses, but their attention quickly turns to dildos and pussies, trying to explore new sensations.

SO PRETTY, IT NEEDS A DILDO
